FOULS

1. The front edge of the cornhole board is the foot foul line. A tape line will extend in both directions from the front of each board. A foul occurs when a player's foot goes past the foul line.
2. A foul occurs when a player goes out of turn
3. When a foul occurs, the toss will not count. The player may not re-throw.
4. If teams cannot agree on the occurrence of a foul the final decision will be made by coin toss (coin toss will be conducted by a Rolla Parks and Recreation staff member)

SCORING

1. Cancellation scoring is used after a round of all 8 bags have been thrown.
2. The score is calculated based on the bags that remain on the board and have gone in the hole. Ex. Team A has 4 points after the round and Team B has 3 points, as a result Team A gets 1 point for the round.
3. The game continues until one team reaches 21 or more points
4. Bag on board = 1 point. This includes a bag that is hanging into the hole or a bag that is hanging off the edge, but not touching the ground.
5. Bag through the whole = 3 points
6. No points are awarded for bags thrown when a player crosses the foul line
7. No points are awarded for a bag that comes to rest touching the ground
8. No points are awarded for bags that contact the ground before reaching the cornhole board. A bag that has hit the ground should not be removed if it will allow a hanging bag to fall to the ground
9. The team who wins the game, throws first in the second game
10. If both teams finish with 21 points then the game will continue until one team wins by 1 point.

Tournament Tie Breakers

When determining seeds for tournament schedules, the following tiebreaking rules will be used

1. Final results of head to head competition during the regular season
2. Point's differential between head-to-head competition
3. Teams with the lowest points allowed during the regular season
4. Coin toss conducted by recreation manager
